## ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION - The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Regular Share, Christmas Club, Vacation Club, Special Club, IRA, Roth IRA, Educational IRA, IRA Conversion, Money Market Draft, and Business Draft accounts, the dividend rate and annual percentage yield may change monthly as determined by the Credit Union's

Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule.
2. NATURE OF DIVIDENDS - Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.
3. DIVIDEND COMPOUNDING AND CREDITING The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns
dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.
4. ACCRUAL OF DIVIDENDS - For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.
5. BALANCE INFORMATION - To open any account, you must deposit or already have on deposit the minimum required share(s) in any account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements
applicable to each account are set forth in the Rate Schedule. For Regular Share, Money Market Draft, and Business Draft accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.
6. ACCOUNT LIMITATIONS - For Regular Share, Christmas Club, Vacation Club, Special Club, IRA, Roth IRA, Educational IRA, IRA Conversion, and Money Market Draft accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For Christmas Club accounts, the entire balance will be transferred to another account of yours on or after October 1 and the account will remain open. If you withdraw from your Christmas Club account, you will be charged a fee as disclosed in the Fee Schedule. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Chiphone Prime Checking, Chiphone Prime Preferred Checking, and Business Draft accounts, no account limitations apply.

## 7. FEES FOR OVERDRAWING ACCOUNTS - Fees
